A Short Biography Of God Kabir

Satguru Kabir Sahib is Himself Purna Brahm (SatPurush - Param Akshar Brahm). This Param Akshar Brahm (Immortal) God comes in all the four yugas. He has come to this mortal world in Satyug by the name Satsukrit, in Tretayug by name the Muninder, in Dwaparyug by the name Karunamay, and in Kalyug by His actual name (KavirDev) Kabir. In Kalyug, Supreme God Kabir (KavirDev), in Vikrami Samvat 1455 (year 1398), on a full moon day in the Jyeshth month (May-June) in Brahm-muhurat, appeared in the form of a newly born child on a lotus flower in the Lahar Tara pond in Kashi (Banaras). He was taken by Neeru-Neema (a weaver couple) who had gone there to take bath. When the Qajis tried to give name to Him based on the Holy Book Quran, then all the words of that book (Quran, Kateb) became Kabir-Kabir-Kabir..... God Kabir (KavirDev) Himself spoke and said, "My name will

II

only be 'Kabir'." God Kabir showed various genitals to the person who had come to circumcise Him. That person became frightened and left without circumcising.

At the age of 5 years, Supreme God Kabir (KavirDev) became the disciple of 104 years old Swami Ramanand ji. He told the path to Satlok to Swami Ramanand ji and showed him Satlok. Once, the Emperor of Delhi, Sikander Lodhi, killed Swami Ramanand ji. Supreme God Kabir restored Swami Ramanand ji back to life. God Kabir cured the incurable illness of the burning pain of Emperor Sikander Lodhi by merely touching him. Emperor Sikander got a cow split into half with a sword and said, "If you (God Kabir) call yourself God, then restore this dead cow to life." Instantly God Kabir by merely touching restored the dead cow and the calf in its womb, who had also been cut into half, to life, and filled a bucket with milk, and said -

Gaay apni amma hai, is par chhuri na baah

III

Garibdas ghee doodh ko, sarv aatm khaay

God Kabir had no wife. To remove the ignorance of Sheikh Taqi and Emperor Sikander Lodhi, who were saying that we will consider you God when you will restore these corpses to life, God Kabir restored two dead children, Kamaal and Kamaali, to life and reared them as His children. God Kabir did not have mother-father. He was (Swayambhu) self-existent.

Then for 120 years, giving the information about His true path and Satlok, went to Satlok in Maghar place, in district Kabir Nagar (old district Basti) near Gorakhpur (Uttar Pradesh) in the presence of millions of devotees and two kings - Bijli Khan (Nawab of Maghar) and Bir Singh Baghel (King of Kashi). Fragrant flowers were found in the place of His body. His body was not found. In Vikrami Samvat 1575 (year 1518) that Supreme Power returned to His Supreme abode (Satlok-Satyadhaam) along with His body and produced an ethervoice, "Look, I am going to Satyalok." The

IV

devotees present there looked above and saw that an effulgent body was going in the sky. Hindus and Muslims distributing half of the flowers and the bed sheet between themselves have built two memorials alongside each other at a gap of 100 feet in the Maghar city, that are witnesses even today, and even the Lahar Tara pond is clear evidence today. Two Kabir Panthi ashrams are built there which give this same true description.

A Short Biography Of Garibdas Ji Maharaj

Maharaj Garibdas ji appeared in the year 1717 or Vikrami Samvat 1774 in the early morning on a full moon day of the later part of Vaisakh from the womb of Mother Rani in the family of Shri Balram ji in village Chhudani, in district Jhajjar of Haryana State. In Vikrami Samvat 1784, Bandichhor God Kabir (KavirDev) came from Satlok and met Maharaj ji, and gave him initiation when Maharaj ji had gone to graze his cattle in the fields called Nalla, approximately 1.5 km towards village Kablana. Maharaj ji had six children - four boys and two daughters. In Vikrami Samvat 1835 (year 1778), on the (dooj) second day of the Shukl Paksh¹ in Bhadva Maas² (Bhadr), you departed to Satlok. The last rites of your body were performed in the village Chhurani. A memorial 'Chhatri Sahib' has been built

on it. After this, you appeared in the same body (of the same age 61 years) and stayed in Saharanpur (Uttar Pradesh) for 35 years. There also a memorial 'Chhatri Sahib' has been built by your name. From Chilkana road, a road extends called Kalsiya road. Twelve kilometres further on that road, the memorial is built on the left hand side. Nearby is the famous Bada (enclosed fenced area) of Shri Laldas ji Maharaj, which is a clear proof in the world that God can also come in a body without a mother.

REQUEST

It is a request to all the God (Satguru)-loving souls that this handbook of "Nitya Niyam" from the speech of Maharaj Kabir Sahib and Garibdas ji has been published for your daily reading so that by daily reciting it with purity, the welfare of the soul can be done. There is a speciality in the speech of Bandichhor Kabir Sahib and Garibdas ji Maharaj that by reading it daily, the soul gets the power to relinquish evil deeds and to engross in God's thoughts. The speech of Bandichhor Kabir Sahib and Garibdas ji Maharaj is self-evident. By reading it daily, the benefit of the yagya of knowledge is obtained. Just as, if a person is bitten by a snake and he becomes unconscious, then a Gardu (snake charmer - a person who performs a spiritual treatment of the snake-bite) recites some verses (mantras). Within some time, that unconscious person regains consciousness and becomes alive. Similarly, the soul is covered with the

VIII

poison of evil deeds, and the soul overwhelmed by lust, anger and affection becomes unconscious, and regains consciousness by reading the speech. Then on acquiring a Guru, by thinking about God, doing sumiran¹ and singing the praise of Lord, it becomes free from Kaal's lok. Some diseases are also cured by reading the speech, if after taking initiation from a complete guru one reads it with full faith. Happiness in the family, increment in wealth, and some tasks also get accomplished by naam jaap and reading the vaani (speech) because this is Gyan Yagya (yagya of knowledge). Consider this to be true. But for complete salvation, find a Complete Guru and after taking naam, obey the words of Guru and make your life successful. The meaning of 'Nitya Paath' (daily reading) is that one has to follow what is written in the vaani (words of Satguru). One should live and act accordingly.

After putting food in the plate, taking a morsel of roti and a bit of vegetable etc along with that morsel, put it in the plate or in another bowl. Then after reciting the following speech, start having food. After having food, the morsel of food which was kept separately and was offered to God, eat it while saying this "Hey Prabhu, aapka bachaa-kucha bhojan aap ke das ko milta rahe, aap hamaare sarv dukhon ka nivaaran karein."

Shanka Samadhaan (Doubt-Resolution)

Request:- The devotee who will obtain initiation will think that Guru ji was saying that we do not have to worship the three gunas (Rajgun-Brahma, Satgun-Vishnu, Tamgun-Shiv), but mantra jaap have been given of them only. It is a request to them that this is not worship. We are living in Kaal's lok (world). Whatever facilities we need here, Brahma-Vishnu-Shiv etc only will provide that.

Like, we have taken connection (benefit) of electricity. We have to pay its bill (expenses). We are not worshipping the electricity minister or department. If we will pay their bill, then we will keep getting the benefit of electricity. Similarly, if we will keep paying the bill of telephone and water etc, then we will keep getting the facilities. By doing worship opposite to the scriptures, you have become devoid of bhakti i.e you have become devoid of merits/virtues. Due to which, you are not getting the benefit of wealth etc.

This Das (Rampal Das) will become your guarantor and will make you again obtain all the facilities from the powers (Brahma-Vishnu-Shiv-Ganesh-Mother etc) of this one Brahmand of Kaal's Lok. And you have to keep paying their bill by the jaap of this mantra. The first mantra (Sat Sukrit Avigat Kabir) is your worship; this is Complete God, and Satyam benefit (fruit) will be obtained. Satyam means eternal i.e. we have to attain the eternal state. After four months of this mantra, you will also get Satyanaam (Sachanaam), which will be of two mantras. Its one mantra is for paying the debt of Kaal's twenty-one brahmands. By making its earnings, we have to pay the debt of Brahm (Kshar Purush) i.e. Kaal. Then this Kaal will make us free from all the sins.

It is mentioned in Gita Adhyay no. 18 Shlok no. 62-63-64-66 :-

Adhyay no. 18 Shlok no. 62

Tam, ev, sharnm, gachchh, sarvbhaaven, bharat,
Tatprsaadaat, paraam, shaantim, sthaanm,

praapsyasi, shaashvatam 62

Translation: (Bharat) Oh Bharat! You (sarvbhaaven) in every respect (tam) that Supreme God (ev) only (sharnm) in the refuge (gachchh) go (tatprsaadaat) by grace of that Supreme God only, you (paraam) supreme (shaantim) peace and (shaashvatam) the everlasting, Sat (sthaanm) place/dhaam/lok (praapsyasi) will attain. (62)

Translation: Oh Bharat! You, in every respect, go in the refuge of only that Supreme God. By the grace of that Supreme God only, you will attain supreme peace and the everlasting place (dhaam/lok) i.e. Satlok.

Adhyay no. 18 Shlok no. 63

Iti, te, gyaanm , aakhyaatam , guhyaat , guhyataram , mya,

Vimrshya, etat , asheshen, yatha, ichchhasi, tatha, kuru (63)

Translation: (Iti) thus, in this way (guhyaat) confidential (guhyataram) extremely confidential

(gyaanm) knowledge (mya) I (te) to you (aakhyaatam) revealed / said (etat) this mysterious knowledge (asheshen) fully (vimrshya) properly reflecting on (yatha) as (ichchhasi) want (tatha) so (kuru) do. (63)
 Translation: Thus, I have revealed to you the extremely confidential of the confidential knowledge. Reflecting fully, properly, on this mysterious knowledge, do as you wish.

Adhyay no. 18 Shlok no. 64

Sarvguhyaatmm , bhooyH, shrnu, me, parmm , vachH,
 IshtH, asi, me, drdam , iti, tatH, vakshyaami,
 te, hitam (64)

Translation: (Sarvguhyaatmm) the most confidential of all secrets (me) my (parmm) utmost mysterious (hitam) beneficial (vachH) words (te) to you (bhooyH) again (vakshyaami) will say (tatH) these (shrnu) listen to (iti) this Purna Brahm (me) my (drdam) definite (ishtH) revered deity i.e. venerable God (asi) is. (64)

Translation: I will again say the most confiden-

tial of all secrets, my utmost mysterious beneficial words to you, listen to these - this Purna Brahm is my definite revered deity i.e. venerated God.

Adhyay no. 18 Shlok no. 66

Sarvdharmaan , parityajya, maam , ekam , sharnam, vraj,

Aham , tva, sarvpaapebhyaH, mokshyishyaami, ma, shuchH (66)

Translation: (Mam) my (sarvdharmaan) all the religious practices (parityajya) relinquishing; you only (ekam) of that one Complete God (sharnm) in the refuge (vraj) go (aham) I (tva) you (sarvpaapebhyaH) from all the sins (mokshyishyaami) will release, you (ma, shuchH) do not grieve. (66)

Translation: Relinquishing all my religious practices in me, you go in the refuge of only that one Complete God. I will release you from all the sins. You do not grieve.

The meaning of the abovementioned Shloks (verses) is that Kaal (Brahm i.e. Kshar Purush) is

saying that Arjun, if you want to remain in my refuge, then your birth and death will continue. If you want to attain supreme peace and want to go to Satyalok, then go in the refuge of that Complete God. For that, relinquishing all my religious practices i.e. earnings of the jaap of the first mantra of Satyanaam to me, then go in the refuge of that One (Almighty i.e. no one is equivalent to Whom; that unique God). Then I will make you free from all the sins (debts); you do not worry. And we will relinquish the earnings of the second mantra of Satyanaam to ParBrahm i.e. Akshar Purush, because we have to go to Satyalok through the Lok (world) of Akshar Purush. We have to give its fare. Then you will get the third mantra Satyashabd i.e Saarnaam, which will make you attain permanency in Satyalok.

If a person has gone abroad and there he incurs government's debt on him, then when he would want to return to his own country, he would have to first of all become free from the debt of that country. After

that he will have to obtain a No Dues Certificate, and then he would be able to obtain permission to return to his country. Otherwise he will not be allowed to return.

Similarly, in this Kaal Lok, you have become devoid of bhakti by doing worship opposite to the scriptures, and have become indebted. First of all, you will be made merchants. For that, KavirDev (Kabir Sahib) has sent me, Das, as His representative. On behalf of that Supreme God, this Das will become your guarantor, and will reinstate your connection (benefit of contact) with the powers like Brahma-Vishnu-Shiv etc. You have to make the earnings of their mantras and pay the bill in instalments. Until you become free from here, you will keep getting all the material comforts at full swing, and by performing meritorious acts and charity etc, you will be able to become richer in Bhakti. In other words, like, we have lotuses built in our body. When on leaving the body we will go to God, then we have to go

through these lotuses. Like, 1. In Mool Lotus - there is Ganesh ji, 2. In Swaad Lotus - there are Savitri-Brahma ji, 3. In Naabhi Lotus - there are Lakshmi and Vishnu ji, 4. In Hridya Lotus - there are Parvati and Shiv ji, 5. In Kanth Lotus - there is Durga (Ashtangi). We will only be able to go through these lotuses when we will pay their debt. All your Lotuses will blossom by the first mantra i.e. you will become free from debt. When in the end you will set forth on leaving the body, then you will find your way to be clear i.e. you will find all your no dues certificates ready.

But we have to worship our Original Master Kvirdev (Kabir Sahib). Like a loyal wife worships her husband, but respects everyone appropriately e.g. younger brother-in-law like a son, and elder brother-in-law like an elder brother, and mother-in-law and father-in-law like mother and father. But the feelings she has for her husband, she cannot have for anyone else. In the same way, a devotee of Kabir Sahib has

to fulfil his/her (bhakti) worship. Therefore, do not be misled by any ignorant person. Remain firm on the path of bhakti directed by this Das with full faith. This bhakti is based on all the Holy Scriptures.
